OUR RECIPES

Timeless chocolates are the heart of La Maison du Chocolat's Collection. Timeless with their balance and elegance, they embody the savoir-faire of a Parisian chocolatier maison.

GANACHES

La Maison du Chocolat has put "ganache" front and center on the world stage, silky texture of fleurette cream and finely chopped chocolate. Chocolates enhanced with fruit pulp, delicately infused or revealing the nature of perfect cacao, they elevate chocolate to the pinnacle of life's simple pleasures.

PRALINÉS

GANACHE MACARONS

Immediately recognizable, the macarons of La Maison du Chocolat are filled exclusively with signature ganache. They are available in eleven different flavours. Their smooth shiny shells are sometimes embellished with natural pigments, that give them an elegant pastel hue. These two shells, which embrace a heart of chocolate, are made from French meringue, and are silkier and less sweet than the Italian version. They have a perfect balance of flavour.

 QUITO Robust dark chocolate ganache, intense and distinctive.	 VENEZUELA Dark chocolate ganache with a woody character, shells accented with crunchy nibs.	 SYLVIA Sweet luscious milk chocolate ganache with subtle notes of caramel.
